Conference

Central Cass varsity football squad took the Wild Rice Conference by storm, winning all nine of their regular season games. The unbeaten schedule was the first, for eleven year head coach Joe Swegarden. The veteran members of the team led a highly motivated group to victory after victory, and ultimately to the conference playoffs at Oakes. It was there that the favored Squirrels were handed their first and only loss of the season.

'B' Squad Fights For A 5-7 Record

The season can best be described by the words of Coach Rutz; "The girls learned that hard work pays off as can be seen by our record of 3-1 for our last 4 games of the season. We learned to have fun, which really is what sports are all about. In that respect, I believe we were very successful."

"A" Squad Enjoys Successful Season

The Girls' Varsity team posted an impressive 11-7 won-lost record. The cagettes worked and played hard under the guidance of second-year head coach Tom Hunt. Utilizing a well-balanced attack of seniors and underclassmen, the team came on strong late in the season to capture first place in the Page Tourney. Overall, the year was a success in the areas of both winning and attitude.

Wrestling

The Squirrel grapplers pulled off another successful season which provided many exciting team matches and outstanding individual performances. The most promenent point of the wrestlers' seasons was their tournament record, highlighted by a team victory at the Wishek Invitational, and second place to rival Lisbon in the Regionals, and all team members placing in the top four there.

Qualifying for the State tournament were freshmen Scott Spilde and Joe Roth (who placed sixth), juniors Jed Swegarden, Steve Spilde, and Jim Loegering, and senior Cody Otterson. The Squirrels' most valuable wrestler was Jed Swegarden, who took second place at State and finished the season with a 28-1 record.

Boys' Basketball

The 1979-80 boys' basketball team under Coach Tom Hunt, in his first year as the boys' coach, compiled a record of 15 wins and 7 losses against stiff competition. The team averaged 56 points a game and allowed 49 points to their opponents. Mr. Hunt commented on the season by saying, "Throughout the season the team displayed a strong positive attitude. They played with a great deal of dedication and should be commended on their overall effort." Eight seniors will graduate but the scrappy juniors will be a firm foundation for another exciting year of basketball next season.

The season was topped off by taking the spirit award at districts.
